CertainTeed is a subsidiary of Saint-Gobain, one of the world's largest building materials companies and manufacturer of innovative material solutions, enhancing the wellbeing of people everywhere by creating great living spaces that combine comfort and sustainability.

In North America, Saint-Gobain has approximately 160 locations and more than 15,500 employees, with reported sales of approximately \$6.5 billion in 2018. In Missouri, the company employs more than 175 people at its CertainTeed roofing manufacturing facilities in Jonesburg and Piedmont. Over the past several years, the company invested approximately \$100 million in Missouri with the completion of a manufacturing and warehouse complex in Jonesburg to serve as the Midwestern production and distribution site for all of the company's high-performance roofing products.

The complex formally opened in 2016, creating 100 jobs for the 150,000 square foot warehouse and 60,000 square foot manufacturing facility. In addition to the positive economic impact, the Saint-Gobain Corporation Foundation provides approximately \$1.2 million annually to non-profit organizations committed to STEM education, hunger relief and support for veterans of the United States Armed Forces, across North America through direct grants, community gifts and employee matching gifts.
